

We, the taxpayers of the WNY community, supporters of the WBFO underwriters, and financial backers of WBFO FM, expect LOCAL blues programming to continue on WBFO after the takeover by WNED. Blues programming is part of the fabric of OUR community...educating and informative.....where variety is achieved with modern and traditional blues performed by regional and North American soloists and bands.

PLEASE let Don Boswell, WNED president and ceo, know YOU encourage the CONTINUATION and expansion of LOCALLY hosted blues programming on WBFO.

DON'T LET LOCAL BLUES PROGRAMMING LEAVE THE BUFFALO AIR WAVES!
